BREATHITT COUNTY NEWS.

From the Jackson Hustler]

Judge Riddell was in this city, Monday, looking after his political interests.

Wm. Perkins, a prominent and successful Wolfe county farmer, was here on business, Monday.

Ellis Johnson and family, of Wolfe county, Mrs. Polly Taulbee, of Morgan county, and E. O. Taulbee and wife, of Frozen, visited the family of Dr. J. A. Taulbee, of this city, from Saturday last until Monday.

The store house of T. C. Johnson, on Stillwater, in Wolfe county, was burned one day last week, together with a stock of goods valued at about $5,000. The fire is said to have originated from a defective flue. There was $3,000 insurance on the merchandise, but nothing on the building.

It is given out in the daily papers that B. J. Ewen will deliver 150 lectures throughout the North and West, under the management of W. G. Hobbs, of Lexington. This is to be followed, it is said, by the construction of a large brick hotel on the site where he was burned out, a corporation being at head of the scheme, while Ewen is to manage the business.

Drs. Kash & Offutt, on Saturday morning of last week, performed a very difficult surgical operation on Kelley Rose, of Lee City. The operation was performed at the Imperial Hotel, in this city, and consisted of removing a tumor from the abdominal cavity of the patient. The operation was performed after the patient was well under the power of chloroform, in about an hour, and at this writing, Monday a. m., he is doing very well indeed considering the severe ordeal through which he has passed. Mr Rose is bookkeeper for Day & McLin, at Lee City.

STILLWATER SPARKLES.

John Wilson is preparing to teach a singing school at The Bridge.

J. F. Dunn has moved to Boxer to participate in the works at that place.

Miss Sallie Tutt, of Gillmore, in company with one Mr. Gibbs, was visiting here Saturday and Sunday.

Misses Millie Rose, Emma Wells and many others attended the burial of Robert Wells at Caney last week.

Willie Taylor, of Boxer, spent Saturday night and Sunday with his parents, J. M. Taylor and wife, at this place.

Stephen Collier, wife and daughter, Miss Delia, of Virginia, are here for a two weeks' visit among friends and relatives.

Oct. 27. PRESTO.

Dr. F. C. Bakes, who has been boarding and officing at the Day House, this week moved to Rittenhouse Ranch, Swango Spring, and may be found there when he is not professionally engaged. He had no kick against that hostelry, but on account of stabling his horse conveniently and other considerations be made the change.

CONSTITUTIONAL AMENDMENT

To Be Voted On at the November Election.

CHAPTER 50.

An act to provide for an amendment to Section 181 of the Constitution of Kentucky.

"The General Assembly may, by general laws only, authorize CITIES OR TOWNS OF ANY CLASS to provide for taxation for municipal purposes, on personal property, tangible and intangible, based on income, licenses or franchises, in lieu of an ad valorem tax thereon;

"Provided, cities of the first class shall not be authorized to omit the imposition of an ad valorem tax on such property of any steam railroad, street railway, ferry, bridge, gas, water, heating, telephone, telegraph, electric light or electric power company."

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Our Candidate for President,

WM. RANDOLPH HEARST,
OF NEW YORK.

ANNOUNCEMENTS.

DAY.—We are authorized to announce ROBT. A. DAY as a candidate for Sheriff of Wolfe County, subject to the action of the Democratic party.

THAT the press of the South is a unit in favor of the nomination of William Randolph Hearst as the Democratic candidate for president may be judged from the enthusiasm of the following editorial, which we copy entire from the Atlanta Constitution of recent date, the leading Democratic organ of the South, and it doubtless voices the sentiment of the people:

"Why Atlanta should signalize the visit of Hon. William Randolph Hearst more than has been her custom with other journalists and Congressmen is easily explained. Atlanta is a city born and built of the energies of men who, without counting their birth and social status, have always lived up to the gospel of 'work and unselfish service to the public good.' Mr. Hearst is a notable examplar of the same gospel. Born to riches, endowed with culture and wooed to the indulgences of ease he refused their immunities and put himself and his great fortune into the mechanicisms of creative and productive life.

"As the master of five popular journals, two in New York, two in Chicago and one in San Francisco, he occupies a preeminence of opportunities and influence for national patriotism and righteousness.

"Mr. Hearst has the distinction of standing for popular rights and a progressive nationalism. He believes in an individualized Democracy of equal rights embodied in a government aggressive enough to assert and maintain the peoples' rights. No one oppressed is so poor as to be spurned at his doors, and none who oppress are so high as to escape his burning condemnations.

"As a journalist he has been a pathfinder: indeed, he can be said to have invented the new order of American journalism which unites the highest news enterprise with a perfect dignity of dispensation. The sincerest tribute to his success in the field he pioneered is the army of imitators who try to follow the track of his great quintette of exemplars.

"In his character as worker, journalist and Democrat he will receive in Atlanta the threefold welcome and appreciation that he has so richly earned from his sympathetic countrymen, especially those of the South."

AN ECHO.

BY S. G. SAMPLE.

Kentucky, stately empire,
Where monarchs rise and fall:
Thou proud and boastful mistress,
Kentucky, chief of all.

Where are thy mighty warriors,
With armor tried and true?
And where thy gleaming lances
And sabres, bright and new?

Why yield thou to temptations,
When progress sounds the charge?
Why pause within the shadows
Of assassinations barge?

Beneath the pen of freemen
The ballot crows ready;
The Democratic party
Flops its wings on hi-h.

"We're all again united,
Our pause for rest is o'er;
The Ship of State is sailing,
She's left the rocky shore.

"Our Captain's young and gallant,
His worth we all adore;
His kinsmen made us famous
In the good old days of yore.

"Yes, we'll rally to his standard,
We Goebelites and Browns;
We gold men of the Klondike,
We lads of Silvertown.

With one accord we'll land him,
We'll cheer for justice done;
Live peaceful all hereafter,
Dreading what might have been.

Castle, Ky., Oct. 26.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from yellow jaundice I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years". If you want a reliable medicine for liver and kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by all Druggists Only 50c.

THERE will be a big Democratic rally at Campton Saturday, and every Democrat who can do so should be on hand to hear Hon. C. B. Hill, Secretary of State, and Hon. William Rogers Clay, of Lexington, expose the schemes of the Republican party, which is today responsible for the assassination of William Goebel, and the chief conspirator a fugitive from justice. They will tell you why Gov. Beckham was able to collect that war claim which Bradley failed to get, and enlighten you all along.

A Perfect Painless Pill.

Is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore, of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by all druggists.

EVERY Democrat should go up and vote next Tuesday, and scratch not. Vote for Beckham, Riddell, Roberts and the whole ticket. Put the mark under the roostey. That is all there is to it. But do it.

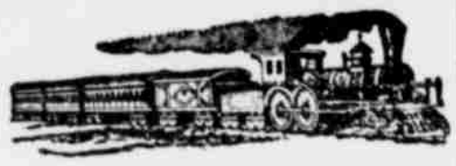

Humors Come to the Surface

In pimples and other eruptions, but don't run themselves all off that way. They mostly remain in the system—that's bad. Hood's Sarsaparilla removes them, wards off danger, makes good health sure. Take it.

Death of Mrs. Cox.

Mrs. Cordelia Cox, of this city, widow of the late Dr. B. D. Cox, died of typhoid fever, last Tuesday moring, at the home of Dr. B. D Cox, Sr., in Wolfe county, where she was visiting. Mrs. Cox went to visit the family of Dr. Cox, who is an uncle of her deceased husband, some weeks ago and was taken sick shortly after reaching that place. While it was known to her many friends and relatives here that she was seriously ill they had no thought that it would prove fatal, and the report of her death was an unexpected and grievous shock to them all. She leaves four small children and host of friends and relatives to mourn her loss. The remains were shipped to this city, Wednesday, over the L. & E. Railway, and were laid to rest, Thursday, beside her late husband, in the cemetery on the heights east of town.—Jackson Hustler.

Granny Combs a few days since brought to this office a cabbage which is a freak of the vegetable kingdom. On the main stalk are 17 smaller stalks, each of which is tipped with a head of cabbage, and they range in size from a diameter of 1½ inches to 3½ inches, all of them being as solid as a—doorknob, practically. It was grown in Mrs. Combs's garden, and is the product of her own labor. Now, is this remarkable head of cabbage a sign that we are to have 17 years of plenty? is suggested when the dream of Pharoh and its interpretation by Joseph comes to mind. Who can interpret this freak?

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis", writes Mrs. W. K. Haviland, of Armonk, N. Y.. "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and $1.00 bottles guaranteed by all druggists. Trial bottles free.

Mrs. Columbus Gillaspie who was thrown from her horse Wednesday of last week, near the Consolation school house, was so stunned that she had to be hauled home in a wagon. John Tom Steele, esq., was passing with his wife and wagon at the time, and he hauled her to her nearby home, where she has since been confined to her bed and unable to turn herself. No bones were broken but it is feared that her hip was dislocated.

A Cure For Dyspepsia.

I had dyspepsia in its worst form and felt miserable most all the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure which has completely cured me—Mrs. W. W. Saylor, Hilliard, Pa. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known tonic and reconstructive properties. It cleanses, purifies and sweetens the stomach. Sold by all druggists.

Mesdames Erastus Brooks, John Henry Campbell, Crockett Coldiron and E. B. Oney, under escort of Arbury Brooks left here Thursday last for Fagan, in Menfee county, where they visited Curtis Swango and family and Ponder Spencer and family. Mrs. Swango and Mrs. Spencer are the daughters of Mrs. Oney and Mrs. Brooks, respectively. They had an enjoyable visit and returned Sunday.

Dieting Invites Disease.

To cure dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia, and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by all druggists.

Miss Laura Rawlings, of Jackson, and Robert Fulkerson, of the same place, were married at the Imperial Hotel last Thurdsay at 8 p. m. Miss Laura lived here several years, where she has a host of friends, who join us in congratulations and best wishes.

Broke Into His House.

S. Le Quinn of Cavendish, Vt., was robbed of his customary health by invasion of chronic constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure. 25c at all drug stores.

Mrs. Rich Hollon and sister-in-law, Miss Emma Hollon, of Campton, came over Saturday shopping, and each of them bought of Mrs. F. N. Day a handsome wrap, while the latter also purchased a beautiful and fashionable hat to adorn her head.

A Colored Wedding.

John Baker and Widow Alice Collins, two of the most respected colored people in this section, will be married at the church at Daysboro tonight, the colored minister officiating. John came here some three years since with Tuets Bros., show, having joined the gang at Winston Salem, N. C., and has always been sober, industrious and well-behaved. The bride is a hardworking, honest and polite woman, and their white friends join us in wishing them peace and plenty.

The above notice appeared in THE HERALD of Oct, 151903, but the event did not transpire until Thursday night, the 22nd inst. when Prof. Cord united the couple in the presence of several friends, both white and colored. J. M. Rose and family, H. F. Pieratt & Co., Mrs J. T. Day, Mrs. McLin, Mrs. Lula Kash, J. B. Cecil, Mrs F. N. Day, Howard James, and others, perhaps, presented the couple with handsome and useful presents, for which the bride and groom request us to return their heartful thanks.

State College of Kentucky.

THE AGRICULTURAL AND MECHANICAL (State College) College of Kentucky offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering, each of which extends over four years and leads to a degree. Post Graduate studies are also provided, leading each to a Master's degree. Each course of study is organized under a separate faculty. The general faculty numbers more than 50 professors and instructors.

COUNTY APPOINTEES receive tuition, room rent in dormitories, fuel and lights, and if they remain 10 months, traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The Legislature appropriated $60,000 for a College home for young women and $30,000 for drill hall and gymnasium for men. The latter is completed and in use, the former will be ready for occupancy in October.

Military tactics and Science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration The demand is largely in excess of the ability of the College to supply. Last year the matriculation list was 604.

Summer Schools are provided for Pedagogy, Engineering and instruction in Science.

Specialists with the necessary number of assistants have charge of each department of Natural Science.

The State College of Kentucky, though bearing hitherto the title of COLLEGE, is the only institution in the Commonwealth doing, in any proper sense, University work.

The completion of the College Home for young women will provide facilities for good board and lodging. It is equipped with all modern conveniences including bath rooms and room for physical culture. It will be heated by steam and lighted by electricity.

An opportunity is afforded to them of a thorough education in Classics, Modern Languages, Literature, Science, Mathematics, Logic, Metaphysics, History and Political Economy. No other Institution in the State offers advantages for the education of women at all comparable to those offered by the State College of Kentucky.

For catalogues, method of obtaining appointments, information regarding courses of study, and terms of admission apply to

Fall Term Begins September 7th, 1903.

Miss Ida M. Snyder,
Treasurer of the Brooklyn East End Art Club.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for.

"In consulting with my druggist he advised McElree's Wine of Cardui and Thedford's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have $1.00 bottles of Wine of Cardui.

Rev. George O. Barnes, the erstwhile beloved Gospel Evangelist with the wedded-to-church-creed religious set, on Thursday night of last week began a series of Biblical lectures at this place, and will continue to do so up to Thursday night of this week. Rev. Barnes is a wonderful man—wonderful in the resources of intellect, wonderful in his deep knowledge of the Bible's tangled web of doubts and mysteries, wonderful in the presentation of his views on Holy Writ. Twenty-three years ago he made a tour through the Kentucky mountains on Gospel work. His views then took well with many religious denominations married to certain doctrines. He then was a man-pleaser of God sent for God; but now he comes (he says) of the same high divine authority, preaching a new kind of doctrine, declaring he was once blind, but now sees the once hidden mysteries of God's truths. He now comes in the role of a "Hell-Redemptionist," preaching that those who go to hell will stay there till they pay the penalty of their disobedience, when they will enter heaven and wear golden crowns—crowns superior to those worn by the "sanctified crew" who never taste the pangs of hell. Astonishing doctrine! And can it be true? If so this world is being imposed upon by a pack of fakirs, fanatics, idiots and hypocrites. Rev. Barnes's lectures are creating a profound sensation. The religious folks seem to be rattled, shocked, disturbed, nervous, unsettled—but as to yet the props are not entirely hammered out from under their feet. "Bring on another horse."

Next Tuesday is election day. We are in a free country, and it is our duty to vote for men and measures that will best serve the interests of our dearly beloved "Old Kentucky Home." At this place next Saturday both the Republican and the Democratic parties will have distinguished speakers to address the voters. Let everybody, of whatever political faith attend. A free show and a free treat. A royal good time.

Curt Lacy, charged with the shooting of Dr. Harlan Stamper, had his examining trial here last Saturday before Judge Congleton, and was held over to await the action of the grand jury in a bond of $1,000.

A saw-log rolled over Ollie Asbury last week seriously injuring him; perhaps making a cripple of him for life.

S. S. Spradling and wife were in Lexington last week to have some dental work done.

Henry Wyatt, son of Wash Wyatt, died on the 24th of typhoid fever.

A. F. Byrd and family last week moved to Winchester.

PUT TO THE TORTURE

"PUT to the torture." How cruel and uncivilized this seems. Yet women are daily enduring even worse tortures, from headache, without knowing where to turn for relief. Headache is directly due to a disordered and inactive liver, and is usually accompanied by indigestion, constipation, blood disorders and nervous irritability.

PLANTERS NUBIAN TEA is ever ready to do away with the agonizing pains of headache, by restoring the liver to a normal, healthy state. If troubled with sick headache, chilliness, nausea, disgust for food, head noises, weak eyes, muscular soreness, shooting pains in the head, or other symptoms showing a disordered and sickly liver—PLANTERS NUBIAN TEA quickly cures. A purely vegetable preparation, composed of efficacious roots and herbs, and containing no injurious ingredients. At all druggists' or mailed by us, prepaid, 25c. a package, 5 packages $1.00. Sample and booklet free to any address.

Spencer Medicine Co. Chattanooga, Tenn.

Friends leaving town or those who have visitors from a distance will greatly favor us by always reporting same, or any other local happening to this office. "Our man about town," however energetic he may be, can not visit all the families, and we sure want to publish every scrap. It will interest somebody.

A Love Letter.

Would not interest you if you are looking for guaranteed salve for sores, burns or piles. Otto Dodd, of Ponder, Mo., writing: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best salve on earth. 25c at all drug Store.

Tomorrow May Be Too Late.

How many times have you put off something, saying: "I'll do that tomorrow"? But when tomorrow came you again put it off and have kept on putting it off ever since. When asked why, you say "Oh, there's plenty of time yet." IS THERE? Just one example. A young man was taken ill and attended by a physician who left him some medicine to take at a certain hour. When the time arrived the young man, feeling better, said: "I don't need that now,' and cast it aside. On the morrow a crape on the door and the tear-stained faces of wife and little one told a story too sad to picture.

Among the many uncertainties of life there comes a certainty—it is Death, and we must all meet it. It rests with you to make provision for those who depend upon you. The best protection that money can buy is in the
